- A Dissertation is required of all candidates for the doctorate. No more than 9-12 sch of dissertation credit are applied to the degree program. Student is required to enroll in dissertation credit under the course BMEN 6950 and must maintain continuous enrollment in a minimum of 3 semester hours of 6950 during each fall and spring term until the dissertation has been accepted by the graduate school.
- > Course offerings vary from year to year and are based on enrollment and resources. The Major Professor and the student are advised to tailor the degree plan based on course availability.
- Courses registered without Advisor's approval or any unapproved deviations from the degree plan may result in no credit toward degree requirements.

 Student Initials:
- The Topic Proposal must be presented during the first semester the student is registered in BMEN 6950.
 Consult with Major Professor.

 Student Initials:
- > The responsibility for adhering to Graduate School, College and Departmental requirements rests entirely with the student. Application for graduation must be filed in the Graduate School Office before the deadline in force during the final semester. Consult the Toulouse Graduate School and the Graduate Catalog for further information http://tsgs.unt.edu
