

Conditional Admission Application and Course Request Form

Name: _____ Student ID: _____

Undergraduate Major: _____

Grad-Track Pathway Program: _____

Instructions: Please read the information on the Grad-Track Pathways Programs website (<https://engineering.unt.edu/academics/gradtrack.html>) carefully before starting your application.

To initiate your grad-track program application, complete this application form and submit it with a copy of your unofficial transcript to the Grad-Track Faculty Advisor in the department.

After you have completed the first semester of your grad track program, you will be required to apply for unconditional admission to your department and the Toulouse Graduate Admissions office. The application for admission can be found at the Graduate Studies at UNT website (<https://www.unt.edu/graduate/index.html>). In the custom question portion of the admission application, you will be able to indicate that you are currently enrolled as a Grad Track Pathways student. A limited numbers of \$75 admission application fee waiver scholarships may be available; please reach out to the Student Success Coordinator in the department for more information.

Please list the graduate courses (3 courses for MSEE grad track and 4 courses for Ph.D. in EE grad track) that you desire to take in your senior year if you are admitted to the grad-track pathways program. The Grad-Track Faculty Advisor will make the final recommendation of the approved graduate courses to the Graduate School.

Student acknowledgement (please read it and sign below): By Signing below I am stating that I understand that conditional admission to a Grad Track Pathways program does not guarantee full admission to a graduate program, and it is my responsibility to meet all minimum requirements set forth by my academic department. I understand that after completing my first semester as a Grad Track Pathways student, I must apply for full admission to the graduate program in my department.
