

Yusheng Wei, Ph.D., Assistant Professor

Department of Electrical Engineering

College of Engineering

Email: Yusheng.Wei@unt.edu

Website: <https://electrical.engineering.unt.edu/people/yusheng-wei>

Research Interests: *Control Theory with Applications, Autonomous and Intelligent Systems*

UNIVERSITY
OF NORTH TEXAS

■ Control theory with applications

- Time-delay compensation
- Decentralized control
- Adaptive control
- Event-triggered control
- Active magnetic bearings

■ Autonomous and intelligent systems

- Unmanned aerial vehicles
- Reinforcement learning
- Machine learning
