

Theme: Instructor and Student Curricular System Impact

## **ABET Annual Maintenance Checks to Support Low Stress Evaluation Experience**

Amir Karimi, The University of Texas at San Antonio

John Attia, Prairie View A&M University

Nandika D'Souza, The University of North Texas

Reza Mirshams, The University of North Texas

Lynn Peterson, The University of Texas at Arlington

Thursday

Room: K150

4:00 to 5:00 pm

All the panel members in this session have served as an ABET program evaluator of a few engineering, engineering technology, and computer science programs. Some, have also served on various ABET Accreditation Commissions. In addition, some have been responsible for preparation of self-study reports for ABET accreditation in their institution. Each panelist will give a short presentation on their experiences on evaluating programs for accreditation, or how they have prepared their programs for low stress ABET accreditation. Most of the session time is devoted to respond to questions from the audience.
