Dr. Song Fu (Professor)
Department of Computer Science and Engineering
Professor, Associate Chair for Research
Site Director, NSF IUCRC Center for Electric, Connected and Autonomous Technologies for Mobility (eCAT)
Intelligent systems, Edge and cloud computing, Machine learning, Autonomous vehicles, Storage systems
Federal and Industrial funding; 7 Ph.D. Students

Vehicle and Edge Computing

Deep Learning Acceleration

Privacy Protection in Deep Learning on Edge

Deep Learning for Additive Manufacturing – In-situ detection
